Ref. No. 29776

Dear Prof. Dr. Pinar Saip and
Members of the Istanbul Medical Chamber

The President and the Members of the Board of the Athens Medical Association would like to thank you kindly for your support and your readiness to contribute during these difficult moments that our country encounters. The doctors of Athens have been informed about your consideration that was expressed through your warm letter.

Fortunately, the needs for medical and relief supplies have been met adequately. We thank you for your offer and we look forward to a very fruitful and close collaboration between our Medical Associations.

With Sincere Appreciation,

The President of the
Athens Medical Association

George Patoulis
